6. LISTENING TEST (1 point)

You are going to hear a conversation between two British people, Paul and Andrew, both of whom live in Spain. Here they are talking about how they feel when they go back to Britain.

This is the beginning of the conversation.

Andrew: Anyway, so, you know, when you go back to the UK, you've been here so long, haven't you, how do you feel, though, when you go to the UK, what kind of ... how do you see the UK now, what difference, and how do you feel being there now?

Paul: Well, I tend to go back to the same place, i.e. my mother's house.

Here is an example of a question.

0. When he goes back to Britain, Paul

- Never goes back to the same place
- Usually visits his grandmother
- Usually goes back to his mother's house

The correct answer is "usually goes back to his mother's house"

Ready? Now read the rest of the questions and alternative answers before listening to the conversation.

(2-minute pause)

Now listen to the rest of the conversation. You will hear it three times. Write the correct answer in your exam notebook (cuadernillo). Write the complete answer, not a letter. You must not write more than one answer for each question.

(Recording)

Now you will hear the text again.

(Recording)

Now you will hear the text for the last time.

(Recording)

That is the end of the Listening test. Write your answers in your examination notebook (cuadernillo) if you have not already done so. Then you can go on with the rest of the examination.
